Room 6311
Washington, D. C. 20451

Dear George:

The enclosed December 23, 1980 letter with attachments from the United Methodist Law of the Sea Project has just reached me, due to the fact that it arrived in the Transition Office following the conclusion of my active duties there and was not brought to my attention until just now.

In light of my lack of knowledge as to who is going to be handling Law of the Sea under the new Administration I had no better solution at the moment than to forward this to you for whatever distribution you feel is appropriate.

Sincerely,

Charles
